The KLIK Reseller Advantage

Wireless screen sharing is fast becoming a hot product category in business, education and government procurement. And, for good reason; wireless screen sharing boosts productivity by eliminating the hassle and downtime as users struggle to connect to the screen. For resellers serving these verticals, there's no better product offering than KLIK.

KLIK Product Family

KLIK offers 5 wireless screen sharing solutions, each tailored for a specific purpose and budget.

- KLIK Stik - Compact, Wireless Adapter, at only \$149, aimed at SOHO, Startup and Early Adopters.
- KLIK Boks PLUS - Full-featured System at only \$249, targets Medium-sized Business, and Government.
- KLIK Boks PRO - Remote-managed System at only \$349, offers remote management for Education, Enterprise.
- KLIK Boks HUB - Top-featured System at only \$649, offers Split-screen, 4K UHD, Live Streaming and much more.
- KLIK Knkt HDMI - Add-on for any KLIK System at only \$249, allows streaming any HDMI source wirelessly.

Business Opportunity

KLIK delivers sell-through, and category-leading margins, aimed at helping our channel partners succeed.

- Electronically-monitored, Unilateral MAP policy in place (US).
- Territories with Distribution Agreements.
- Ample Margins for Distributors and Dealers.

Market Demand

KLIK products cover the broadest range of users and applications, so there are plenty of opportunities for resellers currently offering:

- Office Technology and Productivity services & Products.
- AV and Collaboration Systems & Products.
- IT, Networking and Wireless LAN Systems & Products.
- Education Technology, Teaching Aids & Supplies.

Getting Started

Getting started with KLIK is easy. We'll send you one form to sign, and your account will be set up within 24 hours. You'll be able to place and track orders online, immediately. In addition, we'll link you to digital assets including images, copy and badges so you can get online listings completed in record time. Plus, we'll add your logo and link in our "Resellers" directory.
